

2018 COMMUNITY REPORT

THE POWER OF A
Catholic
EDUCATION

Dear Nazareth Guild Supporter,

I am pleased to share with you a brief overview of Nazareth Guild's progress and accomplishments in this community report. Nazareth Guild unites a community of people who are passionate about Catholic education and believe in the opportunities provided by this rich tradition of academic excellence and faith formation. Our community's generosity over the last seven years has supplemented our school's efforts to be affordable and accessible to any family who chooses Catholic education. This year Nazareth Guild increased its efforts to support individual teachers by offering grants for classroom materials and continuing education.

It is with your financial help and faithful partnership that Nazareth Guild is empowered to support students and Catholic schools. Together we are making a difference in the lives of students and our school communities.

With gratitude,

A handwritten signature in black ink, reading "Alexandra (Alix) Lee". The signature is fluid and cursive, with a long, sweeping underline.

About the Nazareth Guild

In 2010 Blase Cardinal Cupich and Don Herak gathered together interested and committed individuals who cared deeply about the future of Catholic schools in the Diocese of Spokane. Catholic schools in the Diocese of Spokane had reported budget deficits, as a result of declining enrollment and increasing operating costs. Nazareth Guild Board of Directors identified it was time for action and began its commitment to financially support the schools in our diocese.

In 2018 Nazareth Guild, under the leadership of Bishop Thomas Daly and in partnership with the Diocesan Office of Education, supports the Catholic schools in eastern Washington in their efforts to provide an excellent academic education based in the Catholic tradition. Nazareth Guild offers tuition assistance grants to students who cannot afford the full cost of tuition and supports academic excellence by offering school partnership grants and teacher initiative grants.

2012 Lifetime Achievement
Award winner

Donald H. Herak

Don Herak served our Catholic community for more than 64 years, and was a passionate supporter of Catholic schools. Whether it was the founding of a library in honor of his wife, Carol, purchasing computers for schools, or building a new football field, Don's commitment to Catholic schools was always apparent. One of Don's lifelong mottos was, "if you are going to do it, do it right." This report shares what Nazareth Guild has done right: it has given 4.2 million dollars to our schools.

Thank you for your vision, Don.

CONTRIBUTORS IN CATHOLIC EDUCATION _____

Every parent wants the best for their child and education is one of the greatest gifts parents can give their children. Our Catholic schools meet this need by integrating religious truth and values with quality academics. The values found in a Catholic education are far-reaching and every community in our Diocese benefits from the strength and health of our Catholic schools.

As you may know, I attended Catholic schools my entire life. My goal of supporting and strengthening Catholic education flows from this experience as well as over two decades of priestly service as a Catholic high school chaplain, teacher, and administrator. These realities continue to affirm my commitment to strengthening Catholic Schools throughout the Diocese of Spokane.

This past year, working closely with the Nazareth Guild and the Diocesan School Office, we introduced the availability of grant funds for our teachers. The Continuing Education Grant offered a partial scholarship for teachers wishing to receive college credits or endorsements. The Teacher Initiative Grant helped support a teacher’s project for their classroom or the school.

Your prayers and generosity are a sign that Catholic education will flourish and be available for future generations.

I ask for the prayers of Our Lady of Lourdes, patroness of our diocese, for you and your family as I remain,

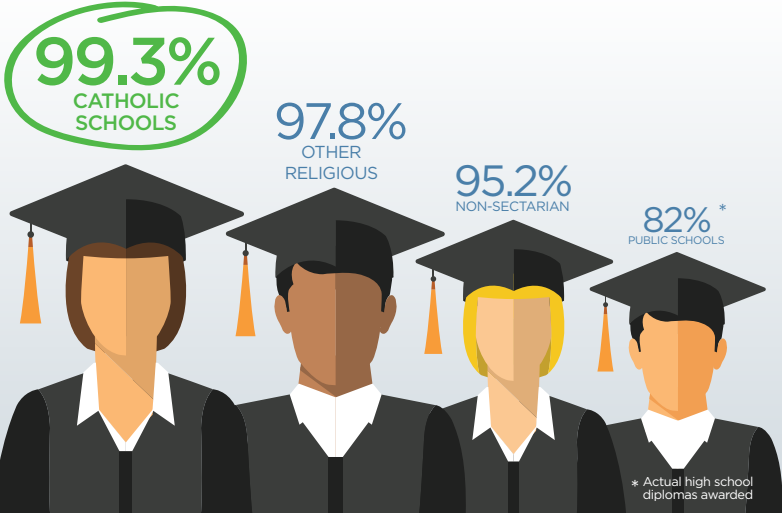

In Christ,
Thomas A. Daly
